

## Parental Rights in New Plymouth School District

As school begins this fall the district would like to notify you of your rights as a parent.

Federal law requires that each school district receiving Title 1 funds notify parents of each student attending any school receiving these funds, that information regarding the professional qualifications of their child's classroom teacher(s) may be requested.

As a parent of a student attending a school receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subjects(s) assigned?
- Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?
- If there are instructional aides working with my child, what are their qualifications?
- If my child is or will be taught for 4 or more consecutive weeks this year by a teacher who is not highly qualified, will I be notified in a timely manner?

To request the state qualifications for your child's teacher or instructional aide, please contact Ryan Kerby at 278-5740.
