New Plymouth Middle School

School Report Card 2009-2010

OUR MISSION

Exemplary education through community and school

KEEPING YOU INFORMED

This report is a summary of some indicators of the performance of our school. No single report can tell the whole story of our school's educational program or the people who work and learn here. We encourage you to find out firsthand by visiting our school. If you are a parent of one of our students, we invite you to take an active role in your child's learning because studies show that when parents are involved, students do better in school.

OPTIONS FOR PARENTS

We strive for good parent communication. In addition to regular contact methods we added a daily district calendar to our website. This is the best way to stay informed. We strive to add new information as it arrives.

- ★ Attend parent/teacher conferences
- ★ Monitor your child's homework
- ★ Communicate regularly with teachers
- ★ Volunteer at school
